

Friends & Family Test Responses February 2020

Friendly and professional nurse with time for patient.

Donna explained everything and made me feel comfortable .

Quick response

Hopefully sorted my problem quickly and efficiently. Good manner from health professional.

Quick appointment. Problem solved and prescription organised straight away.

Procedure carried out quickly & painlessly.

My surgery always puts me first and my doctor always listens and treats me very well

Because they always listen to any worries you have and explain things in layman's terms

Friendly and helpful staff

I think they r very gd

Kelly was very kind ,understanding , and helpful.
